

Maricopa County, AZ - NeighborhoodLIFT[®] Program Map

To be eligible for the NeighborhoodLIFT[®] down payment assistance program, the property must be within Maricopa County, AZ. This is indicated in the boundaries outlined in blue on the map above. To determine if a property is eligible, visit the Maricopa County Tax Assessor-Collector “Property Tax Search” web page at <http://mccassessor.maricopa.gov/> and follow the directions listed below.

1. Enter the property address in the search box under the “Search all of our data (Parcels, Addresses, Owner Names, Subdivisions, and more!)” text.
2. Click the blue “Search” button to the right.
3. If the property is found in Maricopa County, the Search results page opens and displays one or more ‘Real Property Search Results’. Results include the parcel ID and property owner information along with the full property address. Below this information are hyperlinks to “Details”, “Taxes”, “Map” and other options which can be viewed for additional property details.
4. If the property is not located in Maricopa County, the Search Results page will display the following message in large bold text: “No search results”.

**Please note: The map pictures are provided for illustrative purposes only and does not guarantee the property is located within the program boundaries.*
